

FOR IMMEDIATE RELEASE:

Nytef Plastics Announces Lopez Appointment

West Palm Beach, FL – January 29, 2010 – Nytef Plastics announces the appointment of Anna Lopez to the position of Site Manager at their Whittier, CA sales office and warehouse facility. Lopez will be responsible for all aspects of facility operations, which encompasses customer service and product warehousing and delivery logistics in an eleven state region. She has over 21 years experience in plastics sales, sales management and operations.

“Anna brings a real hands-on approach to this business, with a true focus on our customers. We are very pleased to welcome her to the Nytef Team”, states M.R. French III, Executive Vice President of Nytef Plastics, Ltd.

Nytef Plastics, Ltd. is a leading producer of engineered plastics stock shapes and operates facilities in Woodhaven, NY, Bensalem, PA, West Palm Beach, FL, Elk Grove Village, IL, Whittier, CA and Fachbach, Germany.
